

## NOOK LANE CROSS COUNTRY RUNNERS

### RESULTS AND POINTS: Race Three (Longley Park)

This week's cross country runners managed to slip and slide their way round a tough hilly course to achieve some great positions. Amazingly, we had a full Y5/6 girls team and a full Y5/6 boys team with one extra! Despite the mud and mist, the temperature was fairly mild, so none had to wear extra layers!

Ethan Holder remains overall leader and Izzy Fletcher maintains her first position for the Y5/6 girls. Despite not racing this week, Benji Barnes is first for the Y4 boys and Alyssa Lowrie, who pulled up a tremendous 19 places this week, leads for the Y4 girls.
